# Books

## Charterhouse in 100 Objects Book

**£35.00** *CH5109*

Founded in 1874, the Charterhouse Museum houses a great collection of objects from all over the world, each with a connection to the School or its alumni. For over a century Old Carthusians and friends of the School have donated artefacts reflecting their wide-ranging interests and experiences, which in turn have inspired successive generations to contribute something new to the world.

## From Cloisters to Cup Finals - Malcolm Bailey

**£5.00** ISBN: 9781899163878

This book covers the evolution of Association Football and in minute details reveals the part played by Charterhouse and Old Carthusians in that development, both on and off the field. *'One of the most important football history books written in recent years'* (David Barber, FA Historian).

## The London Charterhouse - Stephen Porter

**£5.00** ISBN: 9781848680906

The first ever history of the London almshouse and public school founded in 1611 portraying the cast of characters connected with Thomas Suttons charity over the past four centuries.
